

Our February Rove -

A nostalgic motoring movies and
memorabilia collection

at the State Library,
Southbank

Sunday 1st February

10.30am

Entry is free

Take a drive down memory lane, celebrating the milestones we've shared with our cars, the adventures across bitumen, sand and dirt, and the enduring passion driven by our love for them.

You never forget your first car. The thrill of turning the key for the first time, the radio crackling to life, and the exhilarating sense that the open road is suddenly yours to claim.

Experience State Library's remarkable collections dating from the early 1900s through to the gas-guzzling muscle cars and off-roading 4WDs of the late 1970s. Watch rare home movies of people and their cars as well as a huge array of motoring memorabilia and historic photographs.

Meet at the front entrance of the State Library on the ground floor .

Afterwards, stay for optional lunch at the Queensland Art Gallery café.

(Jonathan Berglind has kindly offered to provide parking at his mother's place in West End.

A cuppa can be arranged and you can take a bus, with Johnathan, to the Library. Contact Johnathan by email at Jonathan.berglind@yahoo.com to let him know you will be at the Rove and if you are taking up his parking offer.)
