General Business:

Gary thanked Nicole for taking the minutes.

Jonathan's timing belt wasn't put on properly on his Rover 75. The Roller was up against the edge so it was just sliding. The bolt wasn't tightened properly.

Gary shared a similar issue with his 75 as well, in addition to finding a loose bar in his Ford Falcon.

John talked about his time with Qantas and losing tools.

Wayne shared some SD1 parts to show.

Magazine

Martin has a magazine to be sent out. It will be a bumper edition. Martin to receive the Rover P4 letter written by Karen about the P4.

Message from Club President

Considering a Rove in Rockhampton this year.

October 2025 – Celtic Festival as part to the October long weekend Rove. Martin suggested the apples and grapes accommodation if we head out to Stanthorpe.
