General Business:

Warren ended up purchasing the Rover P3 engine that was for sale.

Secretary showed the new member packs for feedback.

Ross went to the New Zealand Rover event. He was offered a V8 MG rover, however had to decline the offer. Later found that another member had borrowed it and it overheated!

Some cars struggled in New Zealand, overheating on the hills.

CRM

Ian highlighted that the member constitution needs to be updated and scanned. Gary pointed out that a copy can be found online from the Department of Fair Trade.

The club mailboxes need to be cleaned prior to migration to the new online system. Ian should liaise with Max regarding this.

Cyclone Alfred

General discussion about Cyclone Alfred that severely affected the Queensland South coast and northern NSW. Many members could not make this meeting.

Damiens dog companion who was much loved went missing during the storm and our thoughts are with him at this time.

Events:
