CRM

Small demo of and additional information on the new CRM app for phone. Events works with several map systems. Event system is partially functional.

Urgent need to normalise the data for integration into the system. The web host has been most helpful.

Constitution requires updating.

Gary – Modernising the website and how we do things will allow members to be more hands on with the club. Many thanks to Ian for his work to date.

All British Day

Nicole – We are seeking donations for books to sell at all British Day. Please email merch@roverqueensland.asn.au

General

Wayne showed additional photos of the first North West Rally.

Gary – Show and tell of a metal bracket held by cyclone batten screws. Was removed by force from under the house for safety and put up quite a fight. Learned about batten screws.
