Condolences

We received news that John Farr, a former member of the club has passed away.

We received news that Phil Hurst, a member of the Mercedes Club has also passed away.

Stanthorpe

Approx. 14 people have responded to the upcoming Stanthorpe Rove. Gary has tried contacting the Mills in Toowoomba to arrange a visit.

Parts for Sale

Wayne has P3 parts for sale, snapped up by Max.

Made in China

Craig – a warning about Chinese car parts. An owner fitted coil for a P5 burned out after 2 days, it was brand new!.

Made in Japan

Ian dialled in from Japan! Discussed old abandoned cars.

David

Shared photos of a vehicle for sale.

Vehicle Restoration

Gary discussed Karl's vehicle that is currently being restored in his workshop. Karl – Three years in the making. Has plenty of Rover P6 parts. The engine and gearbox is in. (Karl posts on Facebook too so have a look – JD)

Mechanical Work

Warren C. recently disassembled king pin on P4, destroyed bearings because of grease that was used. Lack of engineering common sense by modern mechanics. Must tell people that this part requires an oil not grease!
